

VILLAGE CONSULTATION – APRIL 2014

QUESTIONNAIRE

SECTION 1 – VISION STATEMENT

The Vision Statement for the Neighbourhood Plan is the expression of our overall wishes and aspirations for the future of our village. It is therefore essential that it is representative of the views of the community. Referring to the draft Vision Statement enclosed:

1) The first paragraph of the vision statement aims to express what the Neighbourhood Plan should achieve, in no more than two sentences. How well do you think it succeeds?

- a) Very well?
- b) Quite well?
- c) OK?
- d) Not very well?
- e) Not at all well?

2) If you answered (a), (b) or (c) to Q 1, please go to Q3. If you answered (d) or (e) to question 1, is that because:

- a) Something you consider to be crucial has been missed?
- b) If so what is it?
- c) Something you consider to be of secondary importance is included?
- d) If so what is it?
- e) You consider it needs to be more inspirational?
- f) Other – please specify

3) The main objectives the Steering Committee believes to be essential in realising the overall vision for Bardsey are laid out in nine key bullet points. These are listed in short form below, in no particular order. Please give us your view of the importance of each by ringing a score from 1 (less important) to 5 (very important):

- a) Providing the new homes called for by the Housing Needs Survey 1 2 3 4 5
- b) Preserving the green belt within and around the village 1 2 3 4 5
- c) Maintaining the quality and character of the built environment 1 2 3 4 5
- d) Maintaining the quality and sustainability of the natural environment 1 2 3 4 5

- c) Only if it is achieved by using windfall sites over a longer period?
- d) Subject to other conditions (please specify in the comments box)?
- e) Not at all?

3) Of the possible alternatives, which location(s) would you find most acceptable to site the homes called for in the HNS? (Please tick one answer).

- a) Only in the village core?
- b) If not possible in the village core itself, then only very close to it?
- c) Some in the village core and some more widely dispersed?
- d) Only well clear of the village core?
- e) Location isn't as important as providing the homes – suitable sites should be considered wherever they may become available in the village.

4) Do you have specific suggestions for a location or locations you believe may be suitable for small developments of 1 and 2 bedroom homes? If so please indicate it/them on the attached maps. (If any suggestion you wish to make lies beyond the village core, and therefore falls on the extended map, please also briefly describe its location in the comments box).
