The Rainbow by Christina Rossetti

Boats sail on the rivers,
And ships sail on the seas;
But clouds that sail across the sky
Are prettier than these.
There are bridges on the rivers,
As pretty as you please;
But the bow that bridges heaven,
And overtops the trees,
And builds a road from earth to sky,
Is prettier far than these.

Maurice Jackson Cup for the best arrangement of garden flowers
Marilynne Lambert Cup for the best miniature garden
