

Bardsey Village Survey

A survey by the Parish Council to find out how we can better serve the residents of Bardsey Parish.

Apart from questions 1 and 2 we will be sharing the survey results on our website at www.bardseyvillage.org.uk

Responses to the survey need to be received by 31st May 2022. ***We are encouraging as many residents as possible to complete the survey online. This is more environmentally friendly and helps us a lot when it comes to analysing the results.***

To complete the survey online either simply use a suitable device to scan the QR Code below and enter the survey direct, or visit the relevant news post on our website using this link: <https://bardseyvillage.org.uk/village-survey> and then use the link to the survey provided in the news post.

If you do wish to complete this paper copy of the survey please return by posting through the letter box at Callister Hall on Woodacre Lane. Please complete the survey by circling the answer(s) you wish to select.

In order to make sure responses are from within the Parish Boundary **please include your postcode and house number in response to questions 1 and 2. Responses without this information cannot be included.** Information provided will be treated in strict confidence, results will be anonymised, and returned questionnaires will be destroyed once responses to other questions have been recorded.

Please note you can now contact the Parish Council direct by email at this address:
